Join us for a MAS Workshop.

Come and learn what the advantages of the Suite are and how to prepare your organization to launch into the future. Plus, hear our first-hand experience in bringing a client live to MAS. Let us drive value for you with continuous improvement and personalized services at our upcoming MAS Workshop. Do you have MAS questions, and are you looking for answers to questions like these?

How should I prepare for the MAS migration?

When should I start planning for the MAS migration?

What are application points?

Where do I start, and what is step one?

MAS Workshop this afternoon starting at 1:00pm today here in the Ballroom

Maven is hosting FREE workshops throughout the United States. Find a location near you.
