ALWAYS ANSWER THE WHY

To provide meaningful **real-world value**

- A) By bringing awareness to the foundational organizational factors that affect successful technological enhancements **and**
- B) By providing Maximo training & implementation insight to be able to get the most from your Maximo instance

IS YOUR ORG READY FOR MAXIMO TO BE UTILIZED EFFECTIVELY?

Do you have the foundational elements in place to allow
Maximo to thrive?

Don't go through the NEW YEAR with

FOUNDATION PROBLEMS

I'm a consultant, let me help
you get it right!

If I don't help, you don't pay

PART 1: INVEST IN YOUR ORGANIZATIONAL FOUNDATION

TECHNOLOGY ISN'T THE ANSWER

Technology only builds on the foundations of processes, partnerships, & people that exist

If those are nonexistent, lacking, or dysfunctional, the software won't be maximized

OUTPUTS

**LET'S BUILD THE FOUNDATION
FOR MAXIMO TO BE UTILIZED
SUCCESSFULLY**

ORGANIZATIONAL ELEMENTS:

Define Processes

Are your Maximo-related processes documented?

Are they clear?

Are they thorough in scope?

Do your employees agree with them?

Do you employees know where to access them?

Are they periodically reviewed?

ORGANIZATIONAL ELEMENTS:

Value Workforce Health

Do you have a healthy, engaged workforce?

Do you have good people in the right places?

Are you employees engaged in the success of the org?

Where applicable, are your employees engaged in decision making processes that affect them?

Are your people leaders good at leading people?

REFLECTION POINT

PART 2: BUILDING UP MAXIMO

MAXIMO ELEMENTS:

Invest In Maximo Partnerships

Do you have a trusted partner to guide your Maximo experience?

CONCLUSION

Organizational & Maximo Foundations

GET YOUR FOUNDATION RIGHT SO YOU CAN BUILD ON TOP OF IT

- **Define Organizational Processes** & focus on **Workforce Health** before tech solutions
 - These are continuous, so small steps still count
- For Maximo enhancements, find a **Trusted Maximo Partner** & **Emphasize Training & Implementation** as much as tech solutions
 - Training should be continual & reinforced
